The visual aids department was responsible for showing all movies during the school year and operating the public address system during assemblies. The projectionists' other duties were to check films in and out, oil the machines, and set up machines in classrooms. Members of the visual aids department were instructed by Miss Rybolt.

STUDENT COUNCIL

The Student Council is an organization of students with a BBC average from each advisory to represent the entire school body. There are fifty-two representatives and fifty-two alternates.

The purpose of the Student Council is to enable the student body to participate in conducting extra curricular activities; to establish a more united student body, promote school spirit, and to teach good citizenship.

The Student Council is responsible for P.T.A. membership, assemblies, activity and social calendar, public relations, dances, student's identification cards, March of Dimes, Cancer fund, and Red Feather drive.

The officers were: Stefan Zaluckyj, president; Pat Copuzzi, vice-president; Sharon Lyon, secretary, and Bob Cyrus, treasurer. Miss Daggett and Mr. Welty were the sponsors.

JUNIOR RED CROSS

Every year the Junior Red Cross sends gift boxes overseas, gifts to the needy children of Hammon at Christmas time, and they also have a book-cart project and Easter favors for the children at St. Anne's Home.

One delegate and one alternate from each advisory is chosen by his classmates to take part in the Junior Red Cross activities and keep his advisory informed about the organization's activities. A special delegate is sent to the City Council meeting each month.

Officers this year were: Janice Arnold, president; Ruth Rowley, vice-president; Barbara Still, second vice-president; Barbara Jackson, secretary, and Shirley Sotak. Mrs. Rainey was the sponsor.

Members of the Science Club went on a field trip to Argonne Laboratory in Chicago.

Officers were: Lee Bowles, president, and Richard Paul, vice-president. Mr. Welty was the sponsor.

GEOGRAPHY CLUB

The Geography Club is organized to promote a continuing interest in the countries of the world and their peoples and to gain a better understanding of their problems and ways of living. It also strives to enrich social and cultural parts of the school.

SHOP SAFETY

A total of 45 safety representatives and 45 alternates, girls and boys, serve our school in its safety work. Safety meetings are held two times each month.

The primary objective of teaching accident prevention in the school shops is to provide accident-free workers for life in our industrial and agricultural communities. All shop teachers realize that they have a definite responsibility to include the study of accident prevention in their instruction. Mr. R. M. Wilson is in charge of the group.

GIRLS' CLUB

The primary objective of the Girls' Club is to provide a medium for the development of its members since there is not enough time or facilities in regular classroom assignments to acquire all the desired social amenities. The club is open to all girls who attend our school.

The ideals and activities established by past members of this club afford opportunities for guidance in important phases of citizenship, leadership, fellowship, character building and service.

Traditional activities include, among other things, a formal installation of officers, an initiation ceremony for new members, a number of Christmas functions including a well-appointed Christmas "Good Deed," a tea for all teachers, trimming the Christmas tree, an all school formal dance, and a picnic in the late spring.

Meetings are every other Tuesday immediately after school and are presided over by student elected officers.

Officers were: Genevieve Turner, president; Charlene White, vice-president; Rebecca Reid, secretary; Jeannette Turner, treasurer; Sue Ann Williams, social chairman, and Derna McMillan, publicity.

TECH TIMES

TECH TIMES keeps THE HAMMOND TIMES informed on items of interest at Tech and this year the staff visited THE TIMES to see how a large newspaper staff operates.

First semester's staff was Janet Thompson, editor; Virginia Sauter, news editor; Loretta Kleeberg and Susan Camp, feature editors; Beatrice Betuslat, art and make-up editor; Pat Borum, sports editor; Sharon McClure, publicity manager; Marilyn Scream, circulation manager, and Carole Achor, business manager.

Last semester's staff was: Hilda Vincent, editor-in-chief; Sue Bradley, page-one editor; Judith Foreman, editorial page editor; Barbara Swiderski, feature page; Ariene Sobota, sports page, and Virginia Spindler, publicity manager.

CHART

"Silhouette of 1957" was the theme chosen by the '57 Chart staff.

The Chart staff consisted of all new members except for Tom Chaney. Editors of this year's Chart were Edna Lamberson and Ethel Nichols; Gerry Krause, business manager; Betty Carroll, senior editor; Barbara Chandler, underclass editor; Sue Earle, ad manager; Martin Bunch, bookkeeper; Kathryn Hollis, copy editor; Roy Clevinger and Norman Fenstermacher were ad salesmen. Mr. Clyne was the faculty sponsor.

... SPORTS AND ACTIVITIES IN 1956-57

G.A.A.

Every week the Girls' Athletic Association meets, inviting all girls to take part in the activities of the club.

G.A.A. is organized to provide an opportunity for all girls to participate in some form of athletics and to promote higher ideals of sportsmanship and health.

Sports sponsored in 1956-57 were soccer, speedball, volleyball, aerial darts, basketball, tumbling, swimming, bowling and softball. Special events included two initiations and one installation, a dance, parties and a bike hike. The G.A.A. also helped in the Gym-O-Rama demonstration.

This year's officers were: Edna Lamberson, president; Barbara Mulvihill, vice-president; Janice Arnold, secretary, and Gerry Klein, treasurer. Miss Phyllis Ford was the sponsor.

Edna Lamberson and Barbara Mulvihill attended the All-State Leadership Camp and Plaque Day at Depew University in Greencastle, Indiana.

DRAMA

The Drama classes, under the sponsorship of Mrs. Parre, met during eighth period every day to learn new techniques in drama.

Members of the drama classes made broadcasts for National Education Week over WJOB, sponsored by Hammond Teachers' Association.

The Drama classes along with Tech Little Theatre presented the play "Oh, Father!"

TECH LITTLE THEATRE

Under the direction of Mrs. Lucille Parre, the Tech Little Theatre presented the play "Oh, Father!"

Officers this year were: Betty Jo Dolphin, president; Duane Kallen, vice-president; Beverly Greening, secretary, and Martin Waschter, treasurer.

Anyone interested in any phase of drama is invited to meet with the Tech Little Theatre on Wednesdays after school.

THESPIANS

The National Thespian Society was an honorary society for drama students who had done 100 hours of work on productions outside of school hours. The members attended the National Convention at Kendallville, Indiana.

Members were: Cathy Knoezer, Barbara Jackson, Sybil Barnett, Rose Ann Kovacic, Andy Kish, Pat Kelleher, Betty Jo Dolphin, Kitty Carlson and Dudley MacArthur.

B-SQUAD FOOTBALL—1956

The Tiger Cubs, coached by Mr. Bereolos, opened the season against Whiting losing 37-7. After falling before Hammond 32-12, Tech placed well against Roosevelt but lost 20-7. Morton proved to be too strong; the season's final found Clark on the long end of a 19-0 score.

Outstanding in their play were: Alonzo, Croyle, Kubacki, H. Gentry, J. Gentry, Ritter, Vinson, Borem, Brooks, Banks and Dolan.

WRESTLING

Tech placed fourth in an eight team meet in the Conference which was held at South Bend.

In the Sectional meet at East Chicago, Tech placed third in a thirteen team meet.

In the State meet, held at Bloomington, Tech placed twelfth involving twenty-seven teams.

Major award winners were: Klein, Hoolehan, Campbell, Hoemann, Croyle, Schmidt, O'Rourke, Boren, Tuleja and Bascina.

FRESHMAN FOOTBALL

The Freshman Football team, coached by Mr. Hoemann, had a season's record of 1 win, 1 tie and 5 losses. They won over Munster and tied with Hammond High. The team lost to Whiting, Irving, Morton, Clark and Roosevelt.

The following received minor awards: Bosack, Carlson, Crouch, Donelson, Eck, Fentress, Gardner, Hoemann, Lewis, Mazur, Minch, Robenhorst, Smaszek, Topolski, Urbanczyk and Berbelly, manager.

B-BASKETBALL TEAM

Although the team lacked size and experience, they finished with an eight win and twelve loss record. Highlights of the team were victories over Hammond High, Bishop Noll and Morton. Leading scorers were: Bafia, Gentry, Gohse, Kerber, Marlot, Ondas, Padie, Taylor, Whitehead and Vinson. Snow was the manager. Coach Vieau coached the team in 1956-57.

VARSITY BASKETBALL

The 1956-57 Tech Tigers had a most successful basketball season according to Coach Bereolos. The team finished with an 11-11 record.

Leading the Tigers was Tony Urbanczyk, senior center, who tied Coach Dale Vieau's individual game scoring record of 33 points.

Playing for the last time for the Brown and Gold were Urbanczyk, Foltz, Montague, Millies and Robinson.

Returning next year to give the Tigers a good nucleus for an outstanding team will be Yeager, Archambeault, Day, Grzywana, Granger, Barney and Holsclaw.

VARSITY CROSS COUNTRY

This year's Varsity Cross Country team had victories over Clark, Thornton Fractional, Lew Wallace, Morton, Whiting and Gerry Edison. The team finished sixth in the Conference and third in the Sectional.

Letter winners were: Skish, captain; Yeager; Snow; Granger; Archambeault; Payne; Roseneau and Szudlak, managers.

TENNIS

This is the first time in six years that Tech has not won or tied for the Western Division Championship. They won three and lost five in the Western Division play. They finished fourth in standing. Next year Tech will have four lettermen returning and should improve their standing.

Walt Papke, number one player, was undefeated and was the outstanding player in the Division.

BASEBALL

Players on this year's team were: Baker, captain; Bukowski, Millies, Foltz, Sobota, McClung, Barney, Robinson, Sorbello, Ahrens, DeRolf, Vinson and Urbanczyk.

GOLF

The outlook for the 1957 golf season was considerably better, according to Coach Carlson, than it has been at Tech for some time. We lost two of our 1956 lettermen—Lloyd Good through graduation and James Sapota who withdrew from school. Julius Bogar and Larry Dash have had two seasons of experience and should have their best year in 1957, the coach said.

Letter winners for 1956 were: Julius Bogar, Larry Dash, James Sapota and Lloyd Good.

The golf team for 1956 won two and lost twelve.

FRESHMAN CROSS COUNTRY

The Freshman Cross Country team finished with a dismal record of no wins and 5 losses but they will develop with experience. Coach Vieau stated.

Minor awards went to: Stanley Bafia, Ray Klein, Tom Elman and Melvin Reeder.

FRESHMAN BASKETBALL

Although the 1956-57 Freshman team won 5 games and lost 13, the coaches feel there were some boys who showed potential for developing into fine basketball players.

Freshman letter winners were: Bosack, Carlson, Crouch, Eck, Elman, Fentress, Gardner, Lewis, O'Dea and Rowe.

FOOTBALL—1956

Coach Carlson believes the 1956 football team had more potential than any team he has coached. We lost to East Chicago, Roosevelt and Hammond High which were conference games and Clark tied us.

A lot of our boys received favorable comments and honors from opposing players and coaches as well as different newspapers throughout the state. Among those mentioned were: Rudy Foltz, Pat Tuleja, John Sorbello, Ken DeRolf, Don Szako, Tom Bukowski, Larry Crosek, Doug Davis and Warren Borem.

The following letter winners are seniors and, coach confides, they will be sorely missed next year: Borem, Bukowski, Crosek, Davis, DeRolf, Foltz, Frye, Harwood, Howard, Hurley, Lee, Millies, Rincon, Sorbello, Szabo and Tuleja.

Returning lettermen are: Alonzo, Brooks, Croyle, Grzywana, Holsclaw, Marlot, O'Rourke and Urbanczyk. Varsity manager, Bob Beatty and Dwight Hedrick, will also be back.

CHEERLEADERS

The Cheerleaders were chosen for their personal appearance, agility, grades, poise and leadership ability. They must maintain a BBC average.

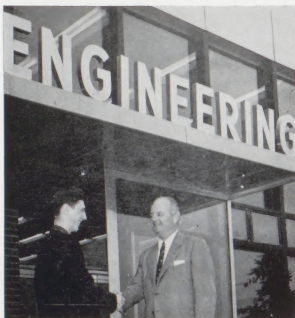

B-squad cheerleaders were: Jan Lake, Shirley Milkovich, Marilyn Mullen and Nadine Waits.

Varsity cheerleaders were: Betty Carroll, captain; Kathy Bric, secretary; Marilyn Wilson; Barbara Stiller, and Mary Ann Szczykut.

You're saying goodbye to your high school days—but you're saying hello to new, exciting days ahead. Congratulations and welcome to the future!

In this future, Inland Steel's opportunities are yours . . . opportunities open to high school grads.

If you have some mechanical training or aptitude, there are careers open in many fields: as machinists, welders, electricians, patternmakers, pipelitters, boilermakers. There are careers to follow in metallurgy and chemistry. And there are opportunities in the office and clerical fields. The job of production—making the steel needed to keep America strong—offers a challenge to alert, young men.

You can have a "get-ahead" future through Inland's training opportunities. You can get apprentice or on-the-job training to become more skilled in your trade. You also can get college training

and a college certificate through the Purdue-Inland Training Program, a program where Inland sponsors you through this course at Purdue Extension.

Inland has been in the busy Calumet Region for more than a half-century. We'll be here in the future, too, because we're a basic industry, making a product used by everyone, including the housewife opening a can of peas and the G.I. firing an artillery shell.

Inland Steel Company serves the nation—and it can serve you, too, in the exciting days ahead.
